

# *89th Annual Report*

**CITY OF RUTLAND, VERMONT**

FISCAL YEAR ENDING JUNE 30, 1981

### THE PLEDGE TO THE FLAG

*I pledge allegiance to the Flag  
of the United States of America  
and to the Republic for which it  
stands, one nation under God,  
indivisible, with liberty and justice  
for all.*

## 89th Annual Report

Fiscal Year

July 1, 1980 to June 30, 1981

City of

RUTLAND, VERMONT

## *Dedication*

The 89th Annual Report  
of the City of Rutland  
is dedicated  
to the memory of those  
who gave their lives  
to the service of our country  
in Vietnam  
and to the  
Vietnam War Veterans  
who returned.  
The City of Rutland  
is proud to have  
the first Chapter  
of the Veterans of Vietnam.

Paul, Joseph R. Jr., 21 Catherine Drive	Term expires - March 14, 1983
Shortsleeve, Howard H. Jr., 3 Victor Place	Term expires - March 14, 1983
Zsido, David G., 3 Haywood Avenue	Term expires - March 14, 1983

## The Mayor's Message

To the Citizens of Rutland:

"Seems like old times" from the song but very apropos for the occasion of my return to City Hall. I served as Mayor of Rutland from 1961 to 1965 and I am certainly happy to be back. It is with mixed emotions I start my third term visiting my old friends and meeting new people.

I have taken over from the efficient administration of former Mayor Godnick and with his help have been brought up to date on City business and progress.

This report, like many before it, is published to acquaint the citizens and taxpayers with the business of our local government. You will note it contains an analysis of expenditures and the many activities of our various departments.

More and more citizens attend the meetings of our Board of Aldermen which are held on the first and third Mondays of each month. I urge you to take a few moments to see your governing body in action.

Much has been accomplished by the Mayors and Boards of Aldermen of the past. I will try to be worthy of the trust you, the voters of Rutland, deserve. I urge you to call or visit City Hall for any information you may desire.

Respectfully,  
JOHN J. DALEY  
Mayor

*Standing (left to right):* Robert A. Stafford, Howard H. Shortsleeve, Jr., Joseph R. Paul, Jr., John W. McDonough, Linda M. Welch, David S. Zsido, Shirley Smith, Nicholas A. Barone, Hayden Bride.  
*Seated:* Ethel W. Stearns, Walter M. Moore, John W. Barrett, City Clerk.

## Letter of Transmittal

### Fiscal Year 1981 - 1982

Honorable Board of Aldermen  
 City of Rutland, Vermont

Ladies and Gentlemen:

Pursuant to the requirements of Section 83 of the Charter, I herewith submit the budgets for all departments for the ensuing Fiscal Year 1 July 1981 through 30 June 1982.

Respectfully submitted,  
 JOHN J. DALEY  
 Mayor

## City Clerk

Honorable City Council  
Rutland City, Vermont

Mayor Daley, Ladies and Gentlemen:

As required by Vermont Statutes Annotated, the Rutland City Charter and Ordinances I herewith submit the annual report of the Office of the City Clerk and Purchasing Agent.

It has been mentioned before that the city clerks office is the hub of all activity at City Hall. Being the administrative branch is of course the reason as it is a natural place to start for whatever assistance you may seek.

The city clerk is ex-officio clerk of the Board of Aldermen, Board of Civil Authority, Clerk For the Abatement of Taxes, Board of Finance, the Board of Public Health and Clerk of the Board of Highway Commissioners.

Purchasing remains a very busy part of our daily routine and again I mention that sometime this should be a separate office.

I must mention the retirement of City Treasurer W. Joseph Simonds this past year. We will all miss this longtime dedicated public servant. Best wishes to Joe and Jean for many years of happy retirement.

My thanks to former Mayor Godnick and his fine family.

Thanks to the Board of Aldermen for their understanding of their clerk.

It has been a welcome sight to have former Mayor Daley with us and I am sure the business of city government is in good hands.

Respectfully submitted,  
**JOHN W. BARRETT**  
City Clerk

OFFICE OF THE CITY CLERK  
REPORT OF VITAL STATISTICS

For the Calendar Year 1980

To the Honorable City Council:

The record of births, marriages and deaths filed in this office during the year 1980 was as follows:

Total number of births registered in 1980 .....	848
Total number of deaths registered in 1980 .....	557
Total number of marriages registered in 1980 .....	226

(See statistics below for vital statistics comparison.) (Due to the fact that vital statistics records are reported to the State for the calendar years, we are unable to report for the fiscal year covered by this report.)

Births Registered in Rutland - Years 1970 to 1980 Inclusive

## City Treasurer

To the Honorable City Council  
Rutland, Vermont

Ladies and Gentlemen:

I present herewith the 1981 annual financial report setting forth the financial position of the City of Rutland at the close of the fiscal year ended June 30, 1981.

All debt requirements of the City were met promptly during the year. Serial bonds totaling \$160,000.00 were retired. Payments of \$4,465.15 were also made on the direct reduction loan of the Parking Meter Fund. Combined interest payments on the bonded debt amounted to \$61,149.00, of which interest amounting to \$31,716.50 was paid on outstanding School Construction Bonds.

**General Fund:** This fund is financed by revenues from general property taxes, licenses, permits, fines, revenue from other agencies, charges for current services and other miscellaneous revenues.

During the fiscal year ended June 30, 1981, revenues actually received were \$78,783.80 greater than budget estimates, and expenditures were \$124,830.36 less than budgeted appropriations.

**School Fund:** During the fiscal year ended June 30, 1981, revenues actually received exceeded budget estimates in the amount of \$739,213.68 and expenditures were \$369,716.03 greater than budgeted appropriations. As of June 30, there was a surplus in the amount of \$369,497.65.

**Revenue Sharing:** During fiscal 1981, the City received \$753,521.00 in Revenue Sharing Funds, and interest earned amounted to \$55,843.08.

The combined balance sheet presented as Exhibit A is intended to present an overall view of the financial position of the City as of June 30, 1981.

Summary statement of cash receipts and disbursements presented as Schedule I, summarizes the activity of the various funds during the fiscal year ended June 30, 1981.

Respectfully submitted,  
R. J. GRAVES  
City Treasurer

#### HOURS AT CITY LANDFILL

Monday through Friday — 7:45 AM - 2:30 PM  
 Saturday — 8:00 AM - 12 Noon

Stump Dump hours —

Monday through Friday — 9:00 AM - 12 Noon  
 — 1:00 PM - 3:30 PM

Saturday — 8:00 AM - 12 Noon

Stump Dump is for materials originating in Rutland City only.

Closed all day Sundays, and all Holidays.

Further information on the City Landfill operation is to be found in the Department of Public Works Annual Report.

## Auditor's Report

The Honorable City Council  
 City of Rutland, Vermont

Ladies and Gentlemen:

The audit of accounts and financial records of the Treasurer and other Offices of Rutland, Vermont, for fiscal year July 1, 1980 to June 30, 1981, was conducted by the firm of A. M. Peisch. Your auditors concur with their findings.

Examination of the accounts and financial records of the School Department was conducted by your auditors. This examination was made in accordance with generally accepted auditing standards.

In our opinion, the financial records of the Treasurer, School Department, and other offices, fairly reflect the financial condition of the City of Rutland, Vermont, as of June 30, 1981, and the result of operations for the fiscal year.

R. NEWTON OWENS  
 JAMES L. RALEIGH  
 TIMOTHY COLLINS  
*Auditors*

**A. M. PEISCH & COMPANY**  
**CERTIFIED PUBLIC ACCOUNTANTS**

**OFFICES:**  
 WHITE RIVER JCT., VT.  
 BURLINGTON, VT.  
 RUTLAND, VT.

To the Honorable City Council  
 City of Rutland, Vermont

We have examined the combined financial statements of the City of Rutland, Vermont, for the year ended June 30, 1981, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Prior to 1959, the City did not maintain adequate cost records of its General Fixed Assets, so cost could not be established for those assets.

In our opinion, except for the lack of cost data in the General Fixed Asset group of accounts, the Combined Financial Statements referred to above present fairly the financial position of the City of Rutland, Vermont at June 30, 1981, and the results of its operations and the changes in financial position of its Proprietary fund types for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the Combined Financial Statements taken as a whole. The Combining, Individual Fund, and Account Group Financial Statements and Schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the Combined Financial Statements of the City of Rutland, Vermont. The School Fund has been included for informational purposes and has not been audited or reviewed. With the exception of the School Fund, the information has been subjected to the auditing procedures applied in the examination of the Combined, Combining, Individual Fund and Account Group Financial Statements and, in our opinion, except for the School Funds, is fairly stated in all material respects in relation to the Combined Financial Statements taken as a whole.

### It Isn't Your Town, It's You

If you want to live in the kind of a town,  
That's the kind of a town you like,  
You needn't slip your clothes in a grip,  
And start on a long, long hike,  
You won't find elsewhere, what you left behind,  
For there is nothing that's really new,  
It's a knock at yourself, when you knock your town,  
It isn't your town, it's you.

Real towns are not made by men afraid,  
Lest somebody else gets ahead,  
When everybody works, and nobody shirks,  
You can raise a town from the dead.

And if while you are making your stake,  
Your neighbor can make one, too,  
Your town will be what you want it to be,  
It isn't your town, it's you.

—R. W. Glover.

## Fire Protection

To the Honorable Board of Aldermen  
and My Fellow Citizens of Rutland

Again I have the pleasure of submitting the annual report of your Fire Department for the 1981 fiscal year.

For the second year in a row this department responded to a record number of fire alarms. Last year we broke the record by 73 calls. This year we added another 74 alarms to that total. The Rescue vehicle responded to 386 calls. This was an increase of 47 calls over last year.

In this report I have the distinct pleasure of announcing no fatalities from fire this year. As the use of smoke detectors increase every year we see more evidence of their life saving capabilities. In two serious early morning fires this year we know that 19 persons were alerted by these devices and were able to exit the buildings involved without injury.

Before closing this report I must thank our neighboring fire departments upon whom we relied for help during this past year. My "Thanks" also to the Mayor, the City Council, and the departments of our City for their assistance. Last but not least "Thanks" to the firefighters of this department whose efforts over the past year has kept this department one of the best in the nation.

Respectfully submitted,  
**RICHARD M. BARRON**  
*Chief, Fire Department*

## Assessor's Office

To the Honorable City Council and  
The Citizens of Rutland, Vermont:

It is my pleasure to submit the annual report of the Assessors Office for the fiscal year ending June 30, 1981.

During the past year this office has helped many of the independent appraisers in giving them comparables and data on sales from the record cards here in this office.

We also finished the re-appraisal of the city this spring, mailed out certified notices to all property owners and heard about 600 grievances. This re-appraisal raised the Grand List approximately 15 million dollars over the previous year.

In early February a long time board member, Mr. Robert W. Fox, Sr. died. Mr. Fox had worked in this office for many years.

I would like to take this opportunity to thank Mayor Daley, the Treasurer's Office and the Clerk's Office for their cooperation and assistance.

Special thanks to City Attorney Bloomer for his legal assistance to this office. My personal thanks to fellow Assessor, Mr. Earl Turner and to our secretary, Mrs. Peg Cillo.

Respectfully submitted,  
CHARLES M. FRANZONI  
*Chairman Board of Assessors*

## Constable and Tax Collector

To the Honorable Board of Aldermen:

As City Constable and Tax Collector of the City of Rutland, I am pleased to submit for your consideration the financial report of this office for the fiscal year, July 1, 1980, through June 30, 1981.

Real Estate, personal property and poll taxes collected during the period amounted to \$332,054.37.

General bills which include water and sewer installations done by the City, sidewalk and curb improvements, tree removals and other expenses totaled \$4,709.44.

Water and sewer assessments amounted to \$49,440.99.

The cumulative total for all monies collected by this office during the fiscal year was \$386,204.30.

May I take this opportunity to thank sincerely the Honorable Mayor, City Attorney, other City officials and employees for their cooperative efforts during the past year.

Respectfully submitted,  
L. BERNARD WATERMAN  
*Constable and Tax Collector*

## Civil Defense

To The Honorable City Council  
and Citizens of Rutland:

Ladies and Gentlemen:

I respectfully submit the Annual Report of the Civil Defense Department for the Fiscal Year ending June 30, 1981.

During the year, Rutland City Civil Defense was called upon several times to help in various emergencies that occurred. Some examples of these emergencies follow. Because of the city's drinking water being contaminated for a few days late last summer, an emergency water supply was brought to the Rutland Hospital and Beverly Manor Nursing Home by the National Guard, through arrangements made by our office.

In February, May and June we were alerted by State Civil Defense of impending storms and high winds. The Civil Defense Operation Center was activated and patrols were set up to check on rising waters and damage in various sections of the city. Damage from these storms was minimal.

Civil Defense had a small booth at the Vermont State Fair again last September. State Civil Defense staff, myself and other Civil Defense volunteers helped operate this booth during Fair week. We handed out literature describing Civil Defense, and also energy conservation, to many interested Fairgoers who stopped at the booth.

At Halloween time, Civil Defense Communications volunteers patrolled the streets to check on possible vandalism or other occurrences that might happen.

Last November, I and Mrs. Gertrude Hodge of the State Civil Defense office in Montpelier, participated in a talk show at radio station WHWB, informing people about Civil Defense and energy conservation.

The "Mayor's Emergency Fuel Fund" was again administered by me and my secretary, Mary Ann Dyer, this past year, from November through March. Contributions from Rutland City Churches and Synagogue, Veterans and Service Clubs, and proceeds from the Mayor's Horse Racing Program provided the much-needed funds for this very worthy cause. Many city residents that needed financial help with a fuel purchase during the winter received help from the "Mayor's Emergency Fuel Fund."

The School Crossing Guard Program progressed very well again this year. As in previous years, each and every Guard did an extremely fine job. In December, Mr. Donald Boynton and Mr. Victor Soulia were each presented a Civil Defense Certificate of Commendation from the State Civil Defense division for their very loyal and dedicated service through the years as School Crossing Guards. I hope they enjoy many healthy and happy years ahead.

At this time, I would like to express my sincere thanks to former Mayor Gilbert G. Godnick and Mr. Lewis Salander, Administrative Assistant to the Mayor, for their help over the past years. I also want to thank Mayor John Daley and the Board of Aldermen for their kindness to me during my illness, for bearing with me during my recovery and for their confidence in returning me to office. To the many city employees, State Civil Defense staff, Civil Defense volunteers, especially Norman Pratt, Jr. for carrying on the affairs of this department during my recovery, I express my sincere thanks and gratitude.

Respectfully submitted,  
ALDO M. MANFREDI  
*Director - Civil Defense*

## City Attorney

Honorable Board of Aldermen  
City Hall  
Rutland, VT 05701

Ladies and Gentlemen:

I assumed this office on April 9, 1981, and this report covers only the period commencing with that date and concluding June 30, 1981.

A substantial amount of my time the first three months was spent familiarizing myself with the matters pending in this office. There were a number of law suits which had been commenced some time ago but had not as yet been set for trial. On these matters, I have made appearances on behalf of the City in the Vermont Supreme Court, United States District Court for Vermont, and the Rutland Superior Court.

Naturally the goal of any City Attorney is to provide the best representation possible when the City is involved in litigation. Perhaps even more important, however, is to keep the City out of litigation. The highest duty performed by a City Attorney is a preventive one.

I have initiated a few changes in the operation of the City Attorney's Office. The proposed budget I submitted included more detail and hopefully will result in reducing some operating expenses. At my suggestion the Board also entered into a contract with me which differs substantially from the previous City Attorney's employment arrangement. This contract is specially tailored to the particular job and my situation.

I have tried to restore the traditional distinction between the offices of the City Attorney and the offices of the City Grand Juror. To that end I have tried to minimize the Assistant City Attorney duties of the Grand Juror; and we now are submitting separate budgets.

As a former Alderman I am sensitive to the need for a flow of information from this office to the Board, as well as to the Mayor and department heads. I have initiated a monthly "Litigation Report" which I provide to the Board to keep them abreast of legal developments involving the City.

Over the last several years the job of City Attorney has evolved into one that reaches every facet of City government. In my short term I have attended meetings involving the Board of Aldermen, the Board of Zoning

Adjustment, the Planning Commission; and several regular and special committees of the Board. I have advised and rendered opinions to almost every department head; and have been involved in the negotiations of three major labor contracts.

With the volume of legal opinions rendered by this office, both oral and written, there is a good likelihood that problems will arise. However, I am hopeful that careful thought, thorough research, and a little common sense will minimize this possibility.

Respectfully submitted,  
WILLIAM J. BLOOMER  
*City Attorney*

## City Grand Juror

To the Honorable City Council and  
Citizens of the City of Rutland:

I respectfully submit the annual report of the City Grand Juror's office for fiscal year June 30, 1981.

For the past year this office has been responsible for the collection of fine revenues in the amount of \$29,411.00. In addition the combined efforts of the Police Department and this office collected \$28,089.00 for parking ticket fines.

The office of the City Grand Juror has worked closely on various city matters with the City Attorney.

A spirit of cooperation has been forged between this office and the Police Department, Fire Department and the City Building Inspector so that the quality of life enjoyed by the citizenry is preserved.

Respectfully submitted,  
JOHN R. CANNEY, III  
*City Grand Juror*

## Building Inspector

To the Honorable City Council:

It is my pleasure to submit to you the Annual Report of the activities of the Building Inspector's Office for the fiscal year ending June 30, 1981.

### ORIGINAL INSPECTIONS PERFORMED

Business and Commercial	78
Complaints & Violations	270
Certificates of Occupancy	821

Follow-up inspections were performed as required.

32 Single Family Residences	\$ 1,061,500
1 Apartment House (4 unit)	100,000
64 Residential Alter/Addn	417,347
46 Other Alter/Addn	963,500
21 Swimming Pools	85,145
17 Residential Accessory Bldgs.	57,880
3 Municipal Buildings	24,000
3 New Comm/Ind Bldgs.	245,468
2 Antennas	21,500
1 Mobile Home	8,000
8 Demolition	9,500
<b>198</b>	<b>\$ 2,993,840</b>

I wish to thank His Honor the Mayor, the Board of Aldermen, the Board of Zoning Adjustment and all other City Departments for their cooperation and assistance.

Respectfully submitted,  
L. A. LA MONTAGNE  
*Building Inspector*

## Public Works Department

To the Honorable City Council  
and the Citizens of Rutland:

I hereby submit the annual report of the activities of the Department of Public Works for the fiscal year ending June 30, 1981.

The Department of Public Works provides a variety of basic services to the citizens of Rutland. In addition to the major projects listed below, the Department is responsible for the day to day maintenance of City streets, a complex network of sewer collection mains and water distribution mains, the City Landfill, the Water Pollution Control Plant, the area comprising the City's watershed and the Water Treatment Plant. In addition, the Department responds to citizen complaints on a daily basis and emergency situations on a 24 hour basis. Citizens are reminded to contact the Police Department for emergency situations when the Department's business office is closed.

### STREETS AND SEWERS DIVISION

Donald Foster, Assistant Superintendent

Donald Santwire, Foreman

James Ward, Foreman

#### STREETS:

##### Hot Mix (Bituminous Concrete) Paving Program:

2,310 tons of hot mix was placed by our contractor, Whitcomb Construction Co., at a cost of \$66,881.74.

Streets paved (or portions of) were as follows: Grant Ave., Kendall Ave., Lincoln Ave., Williams St., Fairview Ave., Hazel St., North St. Ext., Northeast Dr., Prospect St., St. John's St., Foster Place, Alta Terrace, Forest St., River St., Grove St., Cardinal Place, Brightview Ave., Brentwood Ave., Jefferson St., Shedd Place, Grandview Terrace, Hilltop Terrace and Robinwood Lane.

##### Curb & Sidewalk Projects:

Church St. — 61 feet 10" dia. vitrified clay pipe  
10 feet 8" dia. vitrified clay pipe  
1 Manhole

Service connections installed/repared	51
New manholes	8
New catch basins	11
Sewer main repairs/plugs	10
Sewer plugs - private	89

#### WINTER MAINTENANCE:

The Winter of 1980 to 1981 had a total accumulation of approximately 66½" of snow. A total of 3,470 tons of salt were used costing \$98,640.00 as opposed to the previous year's amount of snowfall of 29" and the salt used of 1,904 tons.

Also, 172 tons of winter sand was used.

**SOLID WASTE DISPOSAL:**

In the March 1979 election, the City of Rutland along with 21 other Rutland County towns voted to form the Rutland County Solid Waste District. This new Solid Waste District will have the task of establishing a landfill site and/or Recycling Center to serve Rutland City and the other member Towns throughout the County.

The City of Rutland and the Rutland County Solid Waste District have signed an agreement with the Vermont Agency of Environmental Conservation establishing a target date of Nov. 1, 1982 for closing the existing Rutland City Landfill and having a regional landfill in operation.

**CAPITAL OUTLAY:**

Due to budget restrictions, there were no major capital outlay expenditures in the Public Works Dept. with the exception of a new  $\frac{3}{4}$  ton pick-up truck for the Water Division.

**WATER POLLUTION CONTROL PLANT**

I hereby submit the annual report of the Water Pollution Control Plant, Rutland, Vermont for the year ending June 30, 1981. A total of 2,062,609,000 gallons of sewage and storm water run-off was processed during the past year. In addition 104 cubic yards of grit was removed together with a various assortment of debris other than sanitary waste. This, for the most part, is due to the undesirable combination of sanitary and waste water run-off system currently utilized. Also contributing is a large volume of ground water seeping into the system because of broken sewer lines and deterioration of same.

This year, as in the past, we were honored to have had the opportunity to explain and conduct tours of interested citizens and students visiting the plant. We are pleased at the interest shown by many students and are looking forward with pleasure to more visits from these groups.

Again I would like to thank all the employees here at the plant for their splendid cooperation and dedicated services and look forward to their combined support. The cooperation received from other departments is greatly acknowledged with gratitude.

Respectfully submitted,  
P. J. BARONE  
Superintendent

**WATER TREATMENT**

Rolla Jasmin, Water Treatment Manager

During 1980-1981 fiscal year, there were 416-150 lb. cylinders of chlorine used for treatment for the City at a cost of \$11,856.00.

There were 2,214 lbs. of granulated chlorine used on streams in the City's watershed and on banks of the reservoir, at a cost of \$2,838.34.

There were 600 lbs. of copper sulphate used for treatment of algae control at the City Reservoir.

Monthly water system operations were sent to the State Division of Environmental Health in Burlington, Vermont. These reports include the results of daily testing for coliform bacteria and turbidity.

There were 936 tests of free and available chlorine, pH and temperature taken throughout the City of Rutland and the results catalogued.

A total of 851 samples of treated water from the City's distribution systems and untreated water from the City's Reservoir was sent to the Vermont Health Department laboratory for analysis.

In the spring of 1981, the Department established its own testing laboratory to test for coliform bacteria, turbidity and pH. The results of these tests will give us valuable information as to how our water system is operating. It will also allow us to more closely monitor the City's watershed.

The Rutland City watershed comprises 12,000 acres of which over 4,000 acres are owned by the City of Rutland as city forest. The 35 miles of brook originating on it have filled Rutland City's reservoirs since 1878.

Maintenance of water quality in our reservoir requires good sanitation practice on our watershed and surveillance of tributary streams to maintain the quality of water entering the reservoir.

The City's watershed is constantly being patrolled to check for any failure of septic systems in the watershed.

Installations inspected for proper sewage disposal facilities:

Motels	10
Restaurants and Diners	10
Ski Lodges	10
Condominiums & Apartments	6
Alpine Village	37
Private homes	193
Business complex	2
Commercial	18
Trailer camping grounds	1
Total	281
Number of inspections	300
Number of violations	5
Number of violations corrected	3
Being corrected	2

It has been an active year for construction in the watershed including several new homes and one condominium. Also, the repair and expansion of a number of commercial and private buildings reflects the increasing land use of our watershed.

As a further check on the watershed, brooks in the watershed are continually being monitored. Samples from these brooks are taken periodically to check bacteria counts.

Also, the City's reservoir is checked daily for bacteria counts.

The Department has eliminated two major dead end water mains and improved the method of chlorination at the chlorine plant. This will give a more uniform distribution of chlorine throughout the system.

In the early fall of 1980, Rutland City residents were advised to boil their drinking water because of evidence of bacteriological contamination in the City's water system.

Insuring that this particular type of bacteriological contamination will not reoccur is a very complex problem. The City is working closely with the Vermont State Health Dept. evaluating possible solutions to this problem.

The Department is also proceeding with all the preliminary work necessary so that a bond issue can be put on the ballot to construct a water filtration plant.

### WATER DISTRIBUTION

Bruce Matt, Water Distribution Manager

	1978-79	1979-80	1980-81
Main Extensions	1,036 ft.	1,530 ft.	345 ft.

Repair Valves	10	5	20
Install Valves	12	20	15
Replace Meters	79	84	87
Outside Meter Readers	185	189	119

### ADMINISTRATION

The administration staff cheerfully responded to numerous citizen complaints and requests for information. Over 1286 work orders were issued during the year dealing mostly with citizen requests for work to be done by the Department.

The staff also performed the routine payroll, accounting and bookkeeping tasks required by the Department.

The Administrative staff consists of Patricia Avery, Coletta Franzoni, Mary Muzzi and Arthur Courcelle.

James Shanahan retired on July 5, 1980 after thirteen years of service with the Department's Streets and Sewers Division. Robert LaBelle retired August 8, 1980 after 15 years of service, Fred Perkins retired January 16, 1981 after 25 years of service, Alfred Cole retired April 3, 1981 after 14 years of service, and Earle Houghton retired February 1, 1981 after 11 years of service. All were with the Department's Streets and Sewers Division. Norman Favor retired March 27, 1981 after 20 years of service in our Engineering Division.

The City and especially employees of this Department were saddened by the death of Harry Jasmin in February 1981. Harry was the "watch dog" of the City's watershed and he will be sorely missed by this Department. Harry worked with the Public Works Department for 39 years before his retirement November 8, 1980.

Mr. Allan Merritt resigned as Commissioner of Public Works in May, 1981.

### ENGINEERING

The Engineering staff provides survey, design, and other engineering services for all divisions of the Department and for other departments within City government.

In addition to providing these services, the Engineering Division compiles and constantly updates plans and records of water and sewer facilities, reviews building permits, prepares estimates, writes contracts and specifications for jobs let out for bid, provides information to contractors and others concerning City utilities, prepares necessary easements and performs other duties of an engineering nature as required.

Plans and survey layouts were provided for the following major projects during the year: Shepherd Lane—new sewer, water and street construction; Central Ave.—new sewer, water and street construction; Cottage St.—replace sewer main; Belmont Ave.—replace sewer main; utility layout for New England Telephone for underground conduit on So. Main St. from West St. to Allen St.

Sidewalk, curb, and water improvements under the federally funded Southwest Neighborhood Improvement Project were designed, laid out and supervised by the Engineering Staff.

37 building permits were reviewed in conjunction with the Building Inspectors office.

The City consulting engineer, Whitman & Howard, has completed the Sewer System Evaluation Survey of the City's sewer collection system. The next step will be final design improvements to the City's sewer system and wastewater disposal plant. The City is presently awaiting funding from the State and Federal Governments for the final design stage.

The Engineering Staff includes Alan Shelvey and John Havens.

## CITY FOREST

Dave Richards, City Forester, was in charge of all forestry work both in the City and in the 4,000 acres of city owned forest in the watershed.

Timber marked for cutting	150,000 BF
Pulpwood or firewood marked for cutting	570 cords
Timber stand improvement work	40 acres

## City Tree Program—

Removed .....	20
Planted .....	59
Tree Maintenance (includes pruning, cabling, fertilization) .....	124

I would like to thank and commend all the personnel in the Public Works Department for their dedication and professional manner. I would also like to thank both former Mayor Godnick and Mayor Daley, the Board of Aldermen, particularly Public Works Committee Chairman Nick Barone, and the other Department Heads for their cooperative and courteous attitude towards the Department.

The Department of Public Works should and will continue to serve the citizens of the City of Rutland to the best of its ability.

WARREN E. CONNER  
*Commissioner of Public Works*

## Deceased

Axel J. Anderson—Ward Officer, Ward 3  
 Richard F. Battles—Fire Department

## Dates To Be Remembered

### 1981

- July 1 Fiscal year begins, period July 1, 1981 to June 30, 1982.
- July 20 Last day for setting of tax rate by the City Council for fiscal year beginning July 1, 1981 and ending June 30, 1982.
- Aug. 16 Period for payment of first quarter installment on Real and  
to Personal Property Taxes, period July 1, 1981 to June 30, 1982.
- Aug. 31 After August 31, delinquents will be subject to 5% penalty.
- Nov. 1 Second quarterly payment due on Real and Personal Property  
to Taxes, period July 1, 1981 to June 30, 1982. After November  
Nov. 15 15 delinquents will be subject to 5% penalty.
- Nov. 20 Period for payment of water taxes and sewage treatment tax, one  
to year in advance from September 20, 1981. After January 20, 1982  
Jan. 20 delinquents will be subject to 5% penalty.

### 1982

- Feb. 1 Period of payment of third quarter assessment due on real and  
to Personal Property Taxes, period July 1, 1981 to June 30, 1982.
- Feb. 15 After February 15, delinquents will be subject to 5% penalty.
- Feb. 11 Last day for additions and corrections to check lists for election  
on March 2. Certificates for nomination should be filed with the  
City Clerk by 9:00 P.M., February 18, 1982.
- Mar. 2 Annual March Election.
- April 1 Last day for licensing dogs without penalty of 50%.
- April 20 Last day for filing of personal property lists with the Board of  
Assessors.
- May 1 Period for payment of fourth quarter assessment due on Real and  
to Personal Property for year July 1, 1981 to June 30, 1982. After  
May 15 May 15, delinquents will be subject to a 5% penalty.
- June 6 Last day for Mayor to submit annual budget to the Board of  
Aldermen.
- June 30 Last day for action by the Board of Aldermen on the Mayor's  
annual budget.
- July 20 The Board of Aldermen have to set the Tax Rate by this date.

## Recreation and Parks

To the Honorable City Council  
and Citizens of the City of Rutland:

I respectfully submit the Annual Report of the Recreation & Parks  
Department for the fiscal year ending June 30, 1981.

### HERITAGE CONSERVATION AND RECREATION SERVICE PROJECTS (HCRS)

#### White Playground Area:

In July 1980 the \$200,000 recreation project, which had halted in June, 1980 when the contractor Northeast Lighting and Signal Company and its subsidiary Chamberlain Excavating Company went out of business, began again when the CG-Aetna Inc. Company, the project's bonding agent chose Pike Industries to complete the project. Included were five new tennis courts; two platform tennis courts, two basketball courts, an adventure playground, wading pool with grassed area, and handicapped stairs in the main pool. By June, 1981 most of the project was completed with the exception of the electricity hook-up for the platform tennis.

Bids went out in March, 1981 for both HCRS projects which included:

#### Rotary Field Area:

Excavation for handball courts; remove and relocate playground equipment; regrade, topsoil and seeding; underground wiring; and associated paving, concrete, footing and gravel backfill work.

#### Senior Citizens Center:

The construction of a shelter, shuffleboard and horseshoe courts, plantings, asphalt walk, topsoil, and associated site improvements.

## SPRING AND SUMMER ACTIVITIES

### OUTDOOR FACILITIES

**FIELDS**—2 Little League; 3 Softball; 1 Baseball

**POOLS**—1 Olympic Size; 2 Wading

**PLAY AREAS**—4 City Owned; 2 Mini Parks

**OTHER**—12 Tennis Courts; 8 Basketball Courts; 2 Paddle-walls at Giorgetti; 2 Platform Tennis Courts at Whites

**CITY PLAYGROUNDS**—June 16 - July 11 — 9:00 A.M. - Noon

**AREAS**—Rotary Park, Giorgetti Park, Msgr. Connors Park, Southeast School, Northeast School

**Playground activities** centered around arts & crafts, sports, games, drama, music, hiking and a leather crafts workshop. **Special activities** were held afternoons and evenings and included kite making, macrame class, puppetry, needlecrafts, volleyball, softball, and target shooting. Total participants 2,273.

**DAY CAMP**—Giorgetti Park—

**Session I** — July 14 - July 25      **Session II** — July 28 - Aug. 8  
Hours: 9:00 A.M. to 3:00 P.M.

**Participants** were divided into groups according to age. Emphasis was on nature oriented activities such as: hiking, orienteering, pioneer skills, campcrafts, etc. The U.S. Department of Agriculture and VT Department of Education provided a free lunch to all campers each day. Total campers 249.

**Giorgetti Facility:** Game Room and Basketball Courts were open under supervision summer evenings from 6:00-9:00 P.M.

**Basketball Camp:** From July 7-11 for grades 5 thru High School. The Camp at Giorgetti Park was under the direction of Frank Bizzarro and featured guest lecturers. Participants totaled 40.

**Basketball Leagues:** The High School division consisted of six teams and the Open division had eleven teams. Both played at Giorgetti Park.

**Softball Leagues:** The Womens division had 12 teams, and the Mens division had 44. (A—10 teams; B—20 teams; C—14 teams).

**Mitey Mite Baseball Program:** For ages 7 thru 9. A program designed for instruction and play. Giorgetti—8 teams; Northeast—6 teams; Whites—8 teams. A total of 228 participants.

**Midget League Baseball Program:** For ages 10 thru 12. The League consisted of 7 teams in the Northern League and 7 in the Southern. The 195 participants played at Whites and Giorgetti Fields.

**Junior League Baseball:** For ages 12 thru 14. The league consisted of 5 teams and 70 participants at Giorgetti Park.

**Senior League Baseball:** For ages 13 thru 16. The league consisted of 6 teams and 91 participants. Games were at St. Peters, Rutland Town and Giorgetti Park.

**Gymnastics Camp:** Two, two week sessions—June 23 - July 3 and July 21 - August 1. The camp was held at the Leo F. Keefe gym under the instruction of Dean Rippon, Robin Schoenfeld and Bob Bidescombe. Participation totaled 61. Marcia Wilson was co-ordinator.

**Track Camp:** Ages 6 thru 14. The Camp ran from June 23 thru July 3 under the direction of Greg McClellan at the R.H.S. Track. Participation totaled 146.

**State Track Meet:** The meet was held August 9 in Burlington, VT with Rutland coming in second place with a score of 350. Eight teams from around the State were represented.

**Frank Crowley Memorial Road Race:** An Annual Proctor to Rutland run of 10 kilometers (6.2 miles) held this year on June 8. 103 participants. Winner was Jon Dimick of Brattleboro.

**Tennis Instruction:** Ages 7 thru adults. From June 16 thru August 11 at Monsignor Connors Park. Instruction was given from beginners to intermediate-advanced. Participants: 56 adults and 111 children.

**Harris Wightman Tennis League:** A part of the All New England Junior Program, Rutland had three teams of the six central division: Whites, Rotary and Meadow. The Program was an introduction of children to competitive tennis play. Participation totaled 97.

**Dr. Ralph H. Seeley Memorial Junior Tennis Tournament:** Held August 11, 12 and 13 at Rotary and Meadow Courts. There were 56 participants.

**Golf Lessons:** A five week program at the Rutland Country Club. Adult students totaled 30 and the Junior Program for ages 9 thru 15 totaled 37.

**Creative Playground:** For ages 4 and 5. **Session I:** June 23 - July 11 and **Session II:** July 14 - August 1. An outdoor pre-school program held at Madison Street Mini Park. Total participants 48.

**Pitch, Hit and Run Contest:** A national contest for boys and girls ages 9 thru 12 held July 13 at Giorgetti Park. Co-sponsored by Burger King and the National Recreation and Park Association. 72 participants.

**Annual Fishing Derby:** Held June 28 at Combination Pond for ages 5 thru 13. Stocked by the Vermont Fish and Game Department and co-sponsored by the Rutland Kiwanis Club who provided prizes as well as assistance.

**Concerts:** July 30 - Satin and Steele and August 20 - The Thomas Eddy Band.

**WHITES SWIMMING POOL—Opened June 15, 1980**

**Lessons**—9:00 A.M. thru Noon

**SESSION I:** June 23 - July 11; **SESSION II:** July 14 - August 1;

**SESSION III:** August 4 - August 22

**Classes**—Beginner, Advanced Beginner, Intermediate I and II, Swimmers, Basic Rescue and Water Safety, Advanced Swimmers, Advanced Lifesaving and Evening Adult Lessons. A competitive Swim Team is also offered.

**Adult Swim:** Weekdays, Noon to 1:00 P.M.

**Recreational Swim:** Weekdays, 1:00 - 8:00 P.M. Weekends, 1:00 - 6:00 P.M.

**INDOOR FACILITIES**

**Edwin W. Lawrence Recreation Center**—86 Center Street

**Rutland Recreation Senior Citizens Center**—Off Deer Street

**Rotary Field House**—Off North Street

**Giorgetti Rink and Athletic Complex**—Pine Hill Park

**FALL AND WINTER PROGRAMS FOR YOUTH**

Stamp Club

Pre-School Program - Ages 3 & 4

Ceramics - Elementary Ages

Crafts Club - K-3/ & 4-6

Drama Club - Grades 5-9

Acrobatics - Beg. & Adv.

(K-3/ 4-6/ Jr. High)

Pre-School Movement

Gymnastics - 4-6/ Jr.-Sr. High

Clowning Techniques - All ages

Babysitting Course - Ages 10-13

Sauna Room

**Gymnasium** - Freeplay hours

Coin Club

Basketball League - Grades 5 & 6

Hot Shote Basketball Contest -  
Ages 8-18

Karate - Grades 4-8

Youth Sports Film

Cross Country Skiing Lessons -  
All ages

Ice Skating Instruction - Ages 6 & up

Swimming Hours at VAC

Boxing - High School

**Game Room** - Pool, Ping Pong,  
Shuffleboard, Air Hockey, & Fooz-  
ball

**"Muser's Lore Week"** was held during school vacation from February 16-20. Co-sponsoring the Programs were: Rutland Recreation & Parks Department, Rutland Free Library and the Vermont Council on the Arts. Programs included were:

Folktale films - all ages

Folk Singing - all ages

Folk Dancing - all ages

Indian Folklore Stories - K-3

Knot Tying - Grades 4-6

The Making of "Star Wars" Movie

\*The Bennington Puppets -

"Time Machine" Jan. 28

Baggywrinkle Weaving -

Grades 2 & up

Carding & Spinning - Grades 2 & up

Felt Stitchery - Grades 2 & up

Tall Tale Storytelling - K-3

Creative Ethnic Cooking -

Grades 4-6

**FALL AND WINTER PROGRAMS FOR ADULTS**

Dancercise

Body Conditioning

Quilting

Hatha Yoga

Ceramics

Karate

Kickboxing

Round Dance Lessons

Square Dance Lessons & Dances

Volleyball Leagues - Mens, Womens  
& Co-Ed

Basketball League - Mens

Adult Flag Football League

Cross Country Skiing

Ice Skating Instruction &  
Recreational Skating hours

Indoor Tennis Lessons

Open Gym - Noon-1 PM/  
5-6 PM weekdays

**Films, Slides and Lectures**

Stravinsky

Audubon and the Birds of America

The Flight of Penguins

The Changing World of Charles  
Dickens

Coping with Life on the Run

Great Moments in Sports

Reptiles of Vermont, lecture & slides

The Adventures of Tom Sawyer  
Rembrandt: Painter of Man

**Family Programs:** The Department sponsored an Ice Follies Trip to Boston Gardens on February 16, and in conjunction with Sports Peddler, sponsored a Free Cross Country Ski Day at Giorgetti Park including the ski equipment and instruction for all ages on February 8.

**Halloween Parade**

The Departments 21st Halloween Parade was termed as "One of the Best." Mill River outdid themselves with an entourage of chariots, pyramids, camels, and Egyptian coffin complete with a mummy following the theme of "Trip to the Egyptian Nile." Mill River was presented the Most Artistic trophy, Shrewsbury Elementary School, with an "Alice in Wonderland" theme featuring Alice, a giant Queen of Hearts with movable arms received the Most Creative Trophy, and the Vermont Achievement Center was presented the Most Original Trophy. Uncloaked as the conniving Mr. O'Lantern was Myles Pratico, a local florist. Miss Sarah Butterfield was drawn as the winner of the bicycle donated by K-Mart Department Store for correctly guessing Mr. O'Lanterns identity.

**Dog Obedience Classes**

The Fall session to begin September 30 was cancelled due to an epidemic involving dogs. The second session began March 31, under the direction of Mrs. Pearl Fuller for ten weeks at Rotary Field House.

**Christmas Events**

The Departments **"Needy Toy Project"** again this year lacked good used toys and we found ourselves soliciting donations for new toys in order to carry out the project. 167 families consisting of 348 children received a Christmas box. We would like to thank all contributors for their donations, with special thanks to the parishioners of Immaculate Heart of Mary Parish

and their "Giving Tree," Dorothy Paul, the Senior Citizens Bingo Group, the Phantom Riders 4-H Club, Mrs. Sally Noe, the Hexagon Club, Rutland Squares and the Cast-off 8's.

### Special Events

Free Swimming at VAC	Air Hockey Tourney
Holiday Crafts Workshop - Grades 1-3/4-6	Hot Shot Basketball Contest
Holiday Magic Show and Visit from Santa	Adventures of Tom Sawyer Movie
"Santa" Phone calls	New Years Dance
	Giorgetti Rink Open with Free Skating Hours

### Clubs and Organizations Using Recreational Facilities

Rutland County Youth Service Center, Rutland Headstart, Rutland County Battered Womens Network, Rutland Garden Club, St. Peters Church, Moore Business Forms, Girl Scouts, Vermont Wilderness Association, Southwestern Vermont Area Agency on Aging and Nutrition Project for the Elderly, Rutland Mental Health, March of Dimes Birth Defects Funding Group, The American Legion Post 31, Lyndon State College Alumni, Cast Off 8's, School of Nursing, continued Education for Nurses of UVM, Green Mountain Callers Association, CVCAC Farmworker YETP Program, Dorr Drive Christian Academy and Interfaith Bible Study Group.

### SENIOR DIVISION

The Rutland Recreation & Parks Department's Senior Program during the 1980-81 year increased participation and programs dramatically. Approximately 41,000 persons participated in activities held at the Center.

The Senior Center, located on Deer Street, is an access-free facility, set in natural surroundings, with attractive gardens, and trees. The Center serves as a meal site for the Rutland County Nutrition program. An estimated 17,000 meals were served, including a traditional Thanksgiving Dinner. One-hundred and fifteen (115) persons were served on Thanksgiving Day, complete with entertainment.

Several goals were incorporated in the Department's program for the Seniors: (1) to expand programs to include a larger portion of the senior population of the City. To this end many new activities were added: i.e., tennis league, cross-country skiing, swimming, to name a few. (2) development of educational and informational programs: i.e., Humanities, Pre-retirement Education, and Driver Education. (3) As in past year, the Department continues to strive to include more of those persons in Nursing Homes, and Community Care Homes in the activities of the Center. In this instance more Community Care residents are participating in activities.

Throughout the year many special events are held, primarily in the evening. During the 1980-81 year some of the major events were: Halloween Costume Party, co-sponsored by the Women's Auxiliary of the VFW Post, 648, Annual Christmas Dinner and Dance, St. Patrick's Day Dinner, and

Dance with a traditional corn beef meal. In May the First Annual Las Vegas Night was held, complete with a "floor show" provided by the Music Department of Rutland High School.

May is Older Americans month, and to honour our many volunteers, a Tea was held on the 26th of May. Thirty-nine (39) Seniors who donated many hours to the Center were presented with Certificates of Award for their services. Mayor Daley, and John W. Cioffredi, Superintendent, presented the Awards, and expressed their thanks to all who helped make the programs a success. In addition, throughout the month other activities were planned: Square Dance Night, a special performance by the Rutland Senior Center Chorus, to name a few.

The Seniors not only participate in activities, but also provide service(s) to the Community. During December, many people assisted in decorating Pleasant Manor Nursing Home, for the Christmas Season. Also, each of the Community Care Homes was presented with gift baskets from the Seniors. The baskets contained such items as soap, writing paper, and stamps, socks, etc. Prior to Christmas several Seniors visited each of the Homes, presenting the residents with gifts, and spending the afternoon visiting. This was done again at Easter. Each Home was presented with a large Easter Basket. Other services include mending for the Nursing Homes. Many Seniors spend several hours each week sewing and mending for the Homes.

The Recreation Department's, Senior Program provides many services to the older community: i.e., tax assistance. During the months of January through April, a team of volunteers spend two (2) days a week assisting persons sixty (60) and over with their tax returns. This program includes state, federal, sales tax, and renters rebate. Approximately 225 persons received help this year. Our thanks go to Albert "Monk" Martin in successfully providing this valuable service through VITA. (Volunteer Income Tax Assistance).

Other services include a monthly health check and foot care. Also, in October one-hundred and twenty (120) Seniors received free flu shots through the co-operation of the Visiting Nurses Association. An additional health service was a hearing screening. This is done several times a year, at no charge. All of the health services are provided free to Seniors. Our thanks go to Sophie Curtis, Blanche Chrichton, Anna Jeanotte, and Edith Hurley, along with Grace Pelkey who take care of the blood pressure checks each month. Also, thanks to the Visiting Nurses Association who provide the foot care each month.

Many trips were held throughout the year: Lake George, Latham Circle to hear "Four Girls Four," and Boston Garden to attend the Ice Follies. Shorter excursions were made to each of the State Parks, foliage tours, shopping trips, and Apple picking.

Movies and travelogues were added to the program this year. Thanks are extended to "Butch" Paul of Rutland Travel Service. Once each month,

Seniors were treated to trips through France, India, and other places around the world. A Sunday film series was added, showing such classics as "Auntie Mame," "Gypsy," and "Rio Bravo," to name a few.

One of the most outstanding educational programs sponsored by the Department was the Humanities Series: *Exploring Local History, The Americans and the Land*, and *The Family Album*. These fascinating programs were provided through a grant funded by a matching grant from The Vermont Council on Humanities and Public Issues, and materials provided through The National Endowment of Humanities. Sixty-five (65) persons participated in these sessions, sharing their experiences, thoughts, and memorabilia. The program resulted in two (2) Seniors attending Elder Hostel programs at Colleges in Maine, and Mass. Each was awarded a \$100 scholarship made available through Mr. and Mrs. Leon Dion of Pleasant Manor Nursing Home.

A majority of classes and activities sponsored by the Department have Seniors as part time instructors. We would like to express our thanks to Nora Job, Lin Anderson, Ruth Ross, Lora Preston, Jim Alley, Miles Finch, Campbell Grimes, Eve Bartenstein, Lorraine Bruchner, and Frank Pelkey for their time, their talents, and their dedication.

During the past year 8,227 persons used the Department's van to attend activities held at the Center.

In October of this year, an **Open House** was held to acquaint the Community with the function of the Department's Senior Program, and the Center. Approximately three hundred (300) persons toured the Center, viewing art work, crafts, and ceramics all done by Seniors. Also, the public was treated to members of the piano classes playing for them, and were entertained by The Rutland Senior Center Chorus. Our thanks are extended to "Wid" and Ed Dyer, Ruth Sher, Campbell Grimes, Miles Finch, Nora Job, and John Squier for all their help in making the day a huge success.

#### RECREATION PROGRAMS HELD AT THE CENTER

Oil Painting	Chair Caning
Rug Hooking, Braiding and Latching	Christmas Crafts
Ceramics	*Macreme
Low Heat Enameling	*Pastels
Candlemaking	Chorus
Needlecrafts	Piano Lessons

**Rutland Free Library**

**REPORT OF THE LIBRARIAN**  
**For the Year Ending June 30, 1981**

To the Honorable City Council  
and Citizens of Rutland:

It is a pleasure to present this annual report as Director of the Rutland Free Library.

The past year was a very active one in the library, with circulation statistics showing an increase over the previous year's borrowing. As a library's collections, programs, and services get heavily utilized by the public, attention to the physical plant which provides the access to them becomes all-important. This certainly is true in the instance of the Rutland Free Library's one hundred and twenty-three year old historic building.

**Building Projects**

The entire attic under the main roof was insulated prior to the onset of the cold weather, as one more aspect of long range fuel conservation efforts which became concerted during the first "energy crisis" seven years ago. At the end of the spring this year an extensive mortaring job was done on the joints of the granite steps which lead to the west and south entryways of the library. This mortaring should hold for a number of years.

Other outside building maintenance included painting the three entrance doors and painting also around the first and second floor windows. The soffit adjacent to the southeast corner of the main roof received necessary repairs, as did the glass and the sash cords of the three second floor south windows, where the building receives its heaviest weathering.

The custodial staff painted the old and new basement floors to make for more efficient maintenance. About fifty feet of new copper pipe replaced old pipe in the basement. This year's City Buildings budget will allow for a modern burner both as a further step in fuel conservation and to minimize burner "down time" in the future.

**Furnishings**

The capacity of the adult card catalog was increased by fifty percent with the addition of a seventy-two drawer cabinet. This is projected to serve public catalog needs for the foreseeable future. A padded hand grip was installed at the stairway landing leading to the Fox and Vermont Rooms, and an American flag was obtained to be flown from the Court Street side of the Fox Room.

### Vermont Room

A substantial gift of books was made to the Vermont Historical Collection. These books, from the library of the late Mrs. Helen Hartman of Manchester, who had been a user of the Vermont Room, were presented by members of the Manchester D.A.R. The continued strengthening of the Vermont history and genealogy collections through purchases and gifts necessitated an extensive shifting of materials during the winter, with lesser used collections of old Vermont fiction being moved to the library basement to provide needed space in the Vermont Room Annex.

Weeding of worn, dated, and little used material was done in the adult fiction and the young people's non-fiction areas of the circulating collection, again to make much needed shelf space available for the influx of new volumes. These weeded books also serve a very useful end at library book sales, one of which is being planned for the summer.

### Staff

Mrs. Deborah C. Ramage replaced Mrs. Patricia Bates as Fox Room Program Director, which position, funded by the Grimm Fund, now is on a September through May basis. Mrs. Bates had left in August to become Director of the Humanities and the Public Libraries of Vermont Project.

The library's fulltime custodian, George English, resigned from his position to return to his home in Arizona. Earl English, who had served the library as a CETA/NCOA worker for four years, became the regular library custodian in April as the prospect of CETA's phasing-out was imminent.

Mrs. Jane McNeil, mending and circulation librarian, resigned in June to devote more time to family business. Because of current budgetary restraints, present plans do not call for filling the position which she vacated.

Once again this year, individual personnel evaluations of the members of the staff were done.

### Financial Support

Over the years the City of Rutland has given strong support to the Rutland Free Library, which has gone far towards making possible the variety of services which the library has been able to offer its public. Rutland can take justifiable pride in this.

The Rutland Free Library is genuinely appreciative of the support which both the City and the Town have shown toward it. Especially in recent years the Town of Rutland has demonstrated increasing support, seeming to indicate a view of it as their library.

This basic support received by the library has been augmented for over eleven years by the Nella M. Grimm Fox Foundation Trust. Since January of 1970 the Grimm Fund has paid for all of the library's book and periodical

acquisitions. Since 1974, Grimm money also has funded all of the library's audiovisual purchases—films, filmstrips, records, cassettes, microfilm, etc. Further, it underwrites the Fox Room programming and the Fox Room Director's salary. The Grimm Fund, in the course of providing these rich cultural resources to the community, annually contributes over \$50,000 to the operation of the library.

### Fox Room

Variety was a characteristic of the approximately two hundred programs which were offered by the library this year and which were free and open to the public. Musical concerts; poetry readings; film and slide shows; workshops in a variety of interest areas; clown, mime, and puppet shows for children of all ages; forums on terrorism in today's world; book reviews; and the continuing Women and Literature series were among the program offerings.

The Children's Department continued its Story Hour programs for preschoolers. These are held in the mornings throughout the year, on Tuesdays for three year-olds, for four and five year-olds on Wednesdays.

The staff of the newly opened Rutland County Battered Women's Shelter responded to an invitation to select a collection of materials for their facility from available library items in advance of the book sale. The library also made arrangements with the Vermont Department of Corrections for lending of materials to residents of the Rutland Community Correctional Center.

### Ninety-Fifth Anniversary

The Rutland Free Library marked the occasion of its founding with a birthday party on February 20. Refreshments, including a ninety-fifth birthday cake, special bookmarks and posters, and a moratorium on fines all were planned for, but an unanticipated highlight occurred with the renewal of a borrower's card which had expired over fifty years earlier!

National Library Week, which began with an open house hosted by the library's trustees, also was festive. The launching of two hundred balloons appropriately complemented the showing of the film, "The Red Balloon," with other programs that week featuring a piano quartet, a slide show, a clown demonstration, and a spelling contest.

### Library Board

Robert W. Beauchamp was President of the Board, during a year when the effective presentations of the library's budgetary needs by its trustees was highly important. His spearheading of these presentations, along with the work of Treasurer Lewis J. Watson, Rutland Town representative Mrs. Robert H. Dombro, and other Board members, helped bring about the support which the library has received for this coming year.

Other officers of the board this year were Julian H. Frankiewicz, First Vice President; Mrs. Paula W. Shortle, Second Vice President; and, until his resignation from the board in April, James S. Davidson, Secretary.

Chairmen of their respective committees were Edward R. Seager, Bylaws; Mr. Watson, Finance; Mrs. Shortle, Fox Room; Mrs. Wendell M. Remington, House; Thomas M. Welch, Nominating; Mrs. Nick H. Carmolli, Personnel; and Mrs. Dombro, Planning. Board members Mrs. Richard J. Carey, Jr., Mrs. Lee Forte, and Todd Rideout each served on two or more of these committees.

The contracting state of the current economy certainly has to be taken into account when planning at this stage of the 1980's. The loss of a position in the library has left staff strength below that of the late 1960's. This in turn requires a review of the library's hours and services.

The Rutland Free Library, however, pledges to maintain services to the maximum of its capability, and looks forward to serving in the coming year. I would like to express personally my appreciation to all, especially in the City and the Town, for the positive support received by the library this year.

Respectfully submitted,  
CHARLES D. MAURER  
*Director, Rutland Free Library*

## RUTLAND FREE LIBRARY STATISTICAL SUMMARY

July 1, 1980 — June 30, 1981

Name of Library: Rutland Free Library

Date of Foundation: 1886

Population Served: 21,743

Terms of Use: Free to residents of Rutland City and Rutland Town. Free for reading and reference.

Number of days open: 337

Number of hours open per week: 70

Hours required of staff per week: 37½

## Health Officer

To the Honorable City Council and  
The Citizens of Rutland, Vermont

I respectfully submit the annual report of Health Officer for the fiscal year ending June 30, 1981, although my tenure span has been less than three months of this time.

The Board of Health consists of a three man board appointed by the Mayor and City Council in addition to the Health Officer who is recommended by the same process and appointed by the State Commissioner of Health. To these people is empowered the responsibility for the protection of public health.

During the past year the Health Officer maintained supervision of local control and quarantines as well as direct reporting of communicable disease to the State Health Department, investigated many public health nuisance allegations, monitored close scrutiny over weekly public water testing and also assisted the State Department of Health during emergency control of local problems, issued citations when residents failed to cooperate with weed control and maintaining sanitary conditions of vacant lots, assisted in the investigations with the State Department of Health for health monitoring of outdoor festivals, guidelines for new restaurants, etc.

I have submitted a monthly report of activities to the Mayor and the City Clerk.

My appreciation to others in city government for their cooperation.

Respectfully submitted,  
WILLIAM A. O'ROURKE, JR., M.D.  
*Health Officer*

## Milk Inspector

To the Honorable City Council and  
The Citizens of Rutland, Vermont

I respectfully submit the annual report of Milk Inspector for the fiscal year ending June 30, 1981, although my tenure span has been less than three months of this time.

The Milk Inspector is appointed by the Mayor subject to confirmation by the City Council. The Milk Inspector is responsible for the issuing of licenses for all milk products utilized in the city.

Because milk producers are outside of the city limits, we have been fortunate to obtain the correspondence of the Director of the Dairy Division of the State Department of Agriculture and receive sampling reports on milk products that will be distributed for retail sale.

There have not been any violation of the ordinances.

Disposition is complimentary to that of Health Officer. A monthly report is submitted to the Mayor and the City Clerk.

Respectfully submitted,  
WILLIAM A. O'ROURKE, JR., M.D.  
*Milk Inspector*

## Board of Cemetery Commissioners

To the Honorable Mayor  
and the Board of Aldermen:

Your Commissioners are concerned primarily with four things in managing the two city-owned cemeteries—grave stones, grass, trees and fences.

The grass at both cemeteries can be mowed and trimmed at necessary time intervals due to re-grading and removal of stumps of trees which have died.

The grave stones, considering their age and softness, are in fair shape. From time to time some stones are vandalized but the most damage to the stones is the slow insidious weathering due to the softness of the poorer quality stones.

Both cemeteries were once heavily shaded by elm trees. Most of the elms have succumbed to the Dutch elm disease and several dozen sugar maples have been planted in the past few years to ensure shade for the future. A request for funds to plant more maples this year has been denied.

The chain link fences surrounding both cemeteries are being encroached upon by the weed tree Box Elder which twines its branches in the links of the fence. Cutting and poisoning box elder stumps is continuing as funds are available.

Respectfully submitted,  
JOE CLIFFORD  
FRED ELWERT  
BOB TEDESCO  
*Board of Cemetery Commissioners*

## Police Protection

To the Honorable City Council  
City of Rutland, Vermont

Ladies and Gentlemen:

I respectfully submit the Annual Report of the Police Department for the fiscal year ending June 30th, 1981.

During the past year four new officers joined the department, replacing officers who retired or resigned. A juvenile officer once again became part of our effort to combat juvenile crime.

Officers were sent to the following schools:

- On-scene Traffic Investigation
- Basic Rescue
- Use of Deadly force, the Officers reaction
- Conspiracy School
- Drug School
- Canine Training
- Psychiatric Emergency
- Substance Abuse Awareness

I feel that the City of Rutland has a police department that deserves the highest support and respect of the citizens of Rutland. Crime is on the increase all over the country and with the liberal attitude of the courts and of the people, we have been able to keep up with the national average on our convictions and apprehensions.

The department acquired a Police Canine and an officer completed the training with the canine. This has been a valuable asset to the department. Plans are under way to acquire another canine. We hope to have one on the four to twelve shift and the other on the midnight to eight shift.

I would like to thank all the various police agencies who have helped us in the past year, especially the Vermont State Police and the Rutland County Sheriff's Department. It has been a pleasure working with these two agencies.

I feel that the press has been more of a help in the past year than ever before. We have tried to give as much information as possible to the press and still not jeopardize cases under investigation.

I also want to thank the American Legion Post #31 for their generous gift of two AR-15's to the departments STAR TEAM.

In closing I also want to thank former Mayor Godnick and present Mayor Daley and the Board of Aldermen for their help this past year.

Remember your police department can only be as effective as the help and support it receives from the citizens of Rutland.

Respectfully submitted,  
CHARLES E. SPOON

## Rutland Area Visiting Nurse Association, Inc.

### RUTLAND CITY ANNUAL REPORT

To the Honorable Mayor Daley,  
City Council and Consumers:

It is my pleasure as Executive Director of the Rutland Area Visiting Nurse Association to prepare and present the 1980-81 Annual Report.

The primary goal of our Agency continues to be to provide a complete home care program. We are helping people to stay in their homes as long as possible. Our Agency provided the following home care services:

Total unduplicated Home Care patients	515
Skilled Nursing Care	7,722 visits
Physical Therapy	1,605 visits
Speech Therapy	13 visits
Occupational Therapy	86 visits
Homemaker-Home Health Aide	5,480 visits
Homemaker	265 visits

Other services provided by our Agency are Preventive Senior Health Clinics, Prenatal Classes, Hypertension Screening and other clinics coordinated with State, Public Health, Mental Health and Office on Aging. We continue to work with all health related agencies through Rutland County to coordinate the best possible health care to your city.

The number of people seen in clinics and classes are as follows:

Prenatal People—208
Unduplicated Senior Clinic Patients—196
Hypertension Screening People—118
Flu Clinic Patients—211

Our Agency had a substantial deficit in the City of Rutland for this past year due to the health care demands not funded through third party payors or city funds. The funds that the city allocated did not cover the expense of free care provided. Our Agency has always worked toward providing health care to all in need regardless of ability to pay. We will continue our sliding scale fee policy as long as it is within the financial constraints of the Agency. More funding is needed or services will have to be cut back. We are hoping this will not be necessary because of all the apparent health needs.

If you need help or information on VNA services, please call 775-0568.

It has been a pleasure to serve you and hope you will continue to support our Agency.

Respectfully submitted,  
EVELYN P. DOYLE  
Executive Director

## Rutland County Humane Society, Inc.

To the Honorable City Council  
City of Rutland, Vermont

Gentlemen:

During fiscal year 1980-1981, we handled the following from the City of Rutland:

- 233 dogs from Animal Control Department
- 170 strays from city residents
- 422 animals surrendered by owners
- 28 assorted wild, nuisance animals

Our total operating expenses were just over \$41,000 making our cost per animal around \$16. We received \$4,000 from the City, the balance coming from other Towns in the County, memberships, fund raisers, and individual donations.

We continue to provide proper care for all animals brought in from the City. Approximately 35% are never claimed by an owner, so we attempt to find them new homes.

Humane education programs are available to all of the elementary schools in the City at no charge. Nuisance animals are trapped and removed from the City and released in the wild. Our agent answers complaints of cruelty and neglect and tries to rectify the situations that warrant action.

The animal shelter is open Mon-Fri 10-5, Sat 9-1, and Sun 1-5. Emergency service is provided at any hour when needed.

We are always grateful for the cooperation we receive from the Animal Control Officer, Police Department, Fire Department, and other City officials.

Respectfully submitted,  
THOMAS R. BROWE  
*President*

### SALUTE TO ETHEL

This report would not be complete if the citizens of Rutland were not reminded that Alderman Ethel Wing Stearns was unanimously selected to receive the CHAMBER OF COMMERCE man/woman of the year award.

## The Chaffee Art Gallery

### RUTLAND AREA ART ASSOCIATION, INC.

City Officials  
Citizens of Rutland, Vermont:

The Chaffee Art Gallery is run by a non-profit educational association and is housed in one of Rutland's Victorian Landmarks. The Gallery building was built in 1895 and is now listed in the National Records of Historical Landmarks.

Publicity wise this sounds prestigious, while in fact, we operate at a poverty level, struggling annually for sufficient funds for operating costs. Twenty years of "blood, sweat, and tears" have gone into establishing this much needed cultural center on a main street in Rutland. This Center attracts hundreds of people each year. It is a historical landmark that provides exhibitors space for the visual arts, facilities for the performing arts and a tourist attraction for those interested in old Vermont architecture.

Planning exhibits and shows must be done a year in advance, and with knowledge of a firm budget. We cut costs in every way possible. Our staff of two, reduced from three, works on minimum salaries six months of the year. They perform not only office duties but do necessary housekeeping, handle exhibits, act as hosts and promote the artists sales for which the Gallery retains a 25% commission. All finance, funding and business is handled by the Executives and Trustees who are all volunteers. With donations of time, services and talent, we progressed quite well until mid-July, mid way into our operating season, when we were notified by the City of Rutland that the annual City Grant would be cut by 50 percent, from \$6,000 to \$3,000, giving us no alternative but to close early. Unfortunately all plans for the "20th Anniversary Celebration" had been planned for October. These plans are being cancelled for lack of sufficient City funds.

With this sad statement I do wish to express our thanks and gratitude to these individuals and organizations that have contributed to the success of the first half of our 1981 season:

Attorney Robert West for a loan exhibit of lithographs, "Bird's Eye View of Early Vermont Towns."

Sherry Adams, director of ballet at "The Dance Workshop."

Payson Rex Webber, Robert English and Stephen Lavender for a musical afternoon at the Gallery.

Arthur Brown, for a painting demonstration and the donation of the oil painting, auctioned to the audience at refreshment time.

To Eve Bartenstein and Joe Caldwell, who recently joined us as RSVP volunteers.

The Rutland Rotary Club South that provided the labor for the construction of the ramp for the handicapped.

The Rutland Garden Club for the contribution of the landscaping along the ramp and parking area and for the floral arrangements that grace the Gallery on special occasions.

AND to all of the Friends and Members that have given of their time as Judges of Selection for the shows, as Reception Hosts and Hostesses, their donations to the Memorial Fund and for their contributions of Memberships which play a major part in supporting this Association.

Also to the City for all it has done in former years to support the Chaffee Art Gallery. We hope our services and importance to a better Rutland will again be recognized as it has been in the past.

Respectfully submitted,  
KATHERINE KING JOHNSON  
*Chairman of the Board*

### Condensed Financial Report

Receipts and Cash Balance 1981:

	End of June	End of July	On Hand for Aug. - Sep.	
Income	\$8,439.02	\$12,241.06	Revenue Sharing	\$ 854.00
Expenses	6,460.37	9,477.74	Due from Grant	1,000.00
	<b>\$1,978.75</b>	<b>\$ 2,763.32</b>		<b>\$1,854.00</b>

Amounts for Salaries, Utilities and Other Overhead — unknown.

The separate Building Fund Account is also nearly depleted.

Total Purchase Price \$50,000. Present Balance \$24,800.

## Dogs and Other Animals

### EXCERPTS FROM OUR DOG ORDINANCE RUTLAND CITY

#### **Sec. 2551. Disturbance of quietude as public nuisance**

It shall be unlawful for any dog owner or keeper to permit or allow his or her dog or dogs to habitually howl, bark, or in any other manner disturb the peace and quietude of the community. Such conduct is hereby declared to be a public nuisance.

#### **Sec. 2552. Confinement**

(a) The owner or keeper shall confine within a building or secure enclosure every dog, and not take or allow such dog out of such building or secure enclosure unless such dog is on leash or under control of some person, or securely attached to an exercise wire.

#### **Sec. 2553. Impoundment: notice thereof**

Dogs found running at large may be taken up by a police officer or duly authorized agent and impounded.

#### **Sec. 2555. Penalties**

Any person who violates any provision of this chapter shall be fined not less than \$10 for the first offense, not less than \$15 for the second offense, and for the third or any subsequent offense shall be fined not less than \$20 or imprisoned for ten days.

"Be sure your dog has a current rabies vaccination!"

Save time and money. License your dog on or before April 1st.

## Vermont Department Of Health

### Annual Report to the Citizens of Rutland City

The established mission of the State Health Department is to protect and promote the health of all Vermonters. In working towards this goal, the Vermont Department of Health has provided directly, or assured the provision of, preventive health services to communities across the state. During 1980, the following services were received by the residents of Rutland City:

1890 elementary school children were examined by a dental hygienist and received personal oral hygiene instruction twice during the school year.

79 persons received services through the Maternal and Child Health Program.

51 comprehensive health assessments including preventive health guidance were provided at Well Child Conferences

844 persons received nutrition education and food supplements through the Special Supplemental Food Program for Women, Infants, and Children (WIC).

257 children underwent medical evaluation and treatment through the Early Periodic Screening, Diagnosis, and Treatment Program (EPSDT).

Through the Handicapped Children Program, diagnosis and treatment services for orthopedic, hearing, cardiac, and other conditions were provided to 108 children.

Through the Child Development Clinic, 46 children received diagnostic and intensive follow-up services for suspected developmental disorders.

459 immunizations were given in Health Department clinics.

176 persons received screening for early detection of lung disease through the Barre, Rutland, or other Health Department chest clinics.

The following services were provided by the Health Department Laboratory in Burlington:

352 blood tests to identify women needing immunization against german measles (rubella) to prevent birth defects,

834 other diagnostic blood tests,

308 bacteriological and viral cultures,

90 tests of individual and municipal water systems to monitor drinking water quality.

Statewide, 259 emergency medical technicians were trained, 286 were recertified and 305 received advanced training; 195,507 doses of vaccine were supplied to private physicians, school nurses, and other health providers; 17 hospitals and 46 nursing homes were inspected and licensed; 3,804 restaurants were inspected; 3,655 venereal disease office visits and/or treatments were paid for and 1,063 contacts were traced; material to test 14,270 persons for tuberculosis was distributed to private physicians, public clinics, and schools; 105 x-ray machines were inspected; treatment for 22,000 children was approved and paid for in total or in part by the Tooth Fairy and Denticaid programs; and, in conjunction with Planned Parenthood of Vermont, Inc., 15,705 persons received contraceptive counselling and service.

Technical assistance was provided through the office of Local Health Services to your Town Health Officer, J. Carleton Stickney, M.D.

Your Town Clerk, John W. Barrett, received support and instruction in the handling of vital records from the Division of Public Health Statistics.

Although no Rutland City residents participated, the following Health Department program is also available to your community:

#### The Fluoride Rinse Program

Your participation in these programs is encouraged. Information about all Health Department services may be obtained by calling our toll free number, 1-800-642-5045, or your local district office in Rutland. The local office telephone number is 773-2411.

LLOYD F. NOVICK, M.D.  
*Commissioner of Health*

## Rutland Historical Society, Inc.

### ANNUAL REPORT TO THE CITY OF RUTLAND

The Rutland Historical Society has made remarkable progress in the twelve years since its formal incorporation on 19 August 1969, and not least in the year 1 July 1980 through 30 June 1981 herewith reported.

The official support of the City of Rutland, through its Mayor, Aldermen, and employees, has been of major significance and is gratefully acknowledged. After all, it is the City that has for about ten years provided us a home for our library and museum, that has recently added storage space in the old Nickwackett fire house, and that has been making us annual grants allowing a level of operation not otherwise attainable. The City's grant of \$3,500 helped materially toward expenses running around \$10,000. (But let me add the reminder that most of our Operating Committees have plans on hand that could usefully use lots more income if they could just get a go-ahead signal!)

Also part of our operations is the Farm Museum occupying two buildings at the Rutland Fair Grounds. We are very grateful for the continuing help and support of the Fair's officials and staff. Arch J. Todd once again found and organized the volunteers who kept the Farm Museum open for its period of glory during Fair Week. Among the volunteers were Alan Ridlon, Al Pacca, George and Mrs. Covalt, and Erwin ("Pete") and Mrs. Butterfield.

The citizens of Rutland will easily understand that, because the Society is entirely a volunteer organization, where we are today comes also from the continuing interest and support of far more individuals than can be singled out for mention here. From them has come a steady stream of gift books and gift artifacts for the improvement of our library and our museum collections. Somewhat over four hundred have joined in our various membership categories, making up our second largest source of income.

As previously reported, the theme of our museum exhibits for July-October 1980 was Rutland's connection to the American West. The theme adopted for July-October 1981 has been the Rutland Railroad, including its predecessors. With assistance from many, and of course the railroad buffs, Eleanor Elwert has been spearheading that effort. The exhibit is turning out to be most attractive and is getting publicity in various railroad magazines.

Special thanks also go to Eleanor Elwert for the attractive flower plantings outside the museum and to Tom Egan for planting morning glories and inventing something for them to climb up on each side of the museum front door. The obsolete walk on the West side was removed; more grading and seeding followed on the side and front lawns.

The Publications Committee, headed by Jean Ross, ably assisted by Michael L. Austin as Editor of the *Quarterlies*, by researcher James S. Davidson, and by photo-archives expert Robert Edward West, have brought out a series of splendid issues. For the report's time period they are:

*Summer 1980*—Vol. X, No. 3, was about "The Central Vermont Public Service Corporation," headquartered in Rutland.

*Fall 1980*—Vol. X, No. 4, was about "Rutland and the West," expanding on the theme of the museum's exhibits.

*Winter 1981*—Vol. XI, No. 1, was about "Rutland's Early Clerical Leaders: Samuel Williams and Lemuel Haynes."

*Spring 1981*—Vol. XI, No. 2, was about "The Rutland County Bicentennial," mostly the research of Assistant County Judge Frederick P. Elwert.

Let me remind that publications take very real financial support, about \$3,500 during the period of this report, which was more than any other of the Society's activities. So that there will be no doubt, we and our advisors all consider the cost well worth it, for the product is enduring, "continues down the corridors of time," and hopefully will somewhere along spark other useful and significant historical work.

A start has been made on conforming the Society's library to the Dewey Decimal System, still the most widely used system for libraries of small or moderate size. This, when completed, will better provide for expansion and, partly because so familiar, will help researchers to make use of our holdings. Rather naturally this has spurred thinking about better coping with our growing collection of artifacts, for their accessioning, storage, and retrieval is a mounting problem.

Under the leadership of Bob West, there has been an enchantingly varied monthly program for the membership and public . . . slide presentations, lectures, panels, and so forth. These have uniformly been held at 7:30 p.m. in the Nella Grimm Fox Room at the Rutland Free Library, with refreshments and sociability following. Here is the year's list:

#### 1980

- 11 September Charles Morrissey on "Rutland History and Rutland Folklore."
- 17 September Jane Beck, folklorist, on "Vermont Country Stores."
- 22 September A reading of Kyran McGrath's "Woodstock Anthology" by the author and by Tom Egan, Jean Ross, Bob West, et al.
- 2 October "The Sheldon Museum at Middlebury" by Nina Mudge, its curator, with a display of artifacts from its collections.
- 22 October Annual Meeting, with election of officers, plus Otis Hewett on "Rutland and Vermont Gems and Minerals."
- 20 November Nancy Muller on "Folk Artists of Vermont."

- 10 December Kevin Graffagnino on "Early Vermont Maps," plus an extensive display of the actual maps by Nancy Spencer.

#### 1981

- 21 January Roland Robbins on his restoration work at Crown Point, N.Y., the Saugus Iron Works, Mass., etc.
- 18 February A panel on "Lemuel Haynes," plus tape interview of Dr. John Rogers, a long-time leading specialist on Haynes.
- 18 March Jack Chase on "Maritime Archaeology and Lake Champlain," with emphasis on the underwater exploration of the PHOENIX.
- 4 April Morning and afternoon program jointly with the Vermont Archaeological Society, with emphasis on historical archaeology.
- 6 May An outstanding panel on "The Creation, Evolution and Future of American Federalism," moderated by Robert Edward West.
- 20 May William Hosley on "Colonial Furniture Made in Vermont."

Small wonder Louise N. Adams is Chairman of our Membership Committee: she does a zealous job of finding new members or of getting members to move up to higher categories. She deserves and gets thanks from all. By her latest reckoning we now have members living in 27 states, the largest number in Vermont of course, but significant numbers in New York, Florida, Massachusetts, and California. The Rutland influence is obviously spreading!

I'd like to record my personal thanks to the officers and board members of the Society and the many others who have been helpful to me during my time as President. And I'd like to add special thanks for the quiet, behind-the-scenes work of Marjorie E. McNolty while she served as Treasurer and of Hope E. Hubbard, who keeps our membership records.

Respectfully submitted,  
SANBORN PARTRIDGE  
President  
The Rutland Historical Society

SOME GENERAL INFORMATION ABOUT OUR CITY  
FOR NEWCOMERS AND VISITORS

The Police Department is comprised of 44 members, a chief, a captain, a lieutenant, 3 sergeants, 2 detectives, 24 patrolmen, 4 dispatchers, an administrative assistant, records clerk, 2 meter maids, 1 animal control officer, 2 traffic clerks. The Police Department has 5 pieces of major equipment all with two way radio.

The Fire Department is comprised of 30 regular firemen, a chief, 2 assistant chiefs, 2 captains and 2 lieutenants and 10 call firemen. The Fire Department has 12 major pieces of equipment including a Rescue Vehicle.

Merchandise and materials purchased by the City must be by a purchase order obtained by all departments (except School Department). The Purchasing Agent is required to put out for bids all merchandise or materials costing \$500.00 or over.

All offices in City Hall are closed on Saturday.

No all night parking is allowed at any time during the year in the Central Business District.

All night parking in the entire city is prohibited from 1:00 a.m. to 7:00 a.m. from December 1st to March 31st, inclusive.

Hours of operation of the City Landfill may be found elsewhere in this report.

Zoning Ordinances are available at City Clerk's Office.

The Municipal Swimming Pool is located at the White Playground off Jackson Avenue.

The Chaffee Art Gallery is located on South Main Street (Route US 7).

The Rutland Free Library and Lawrence Recreation Center are located at the corners of Center and Court Streets.

The Rutland Hospital is located on Allen Street, east of US 7.

Rutland Mental Health Service, Inc. is located at 78 South Main Street.

The Rutland Historical Society is located on Center Street.

The Board of Aldermen of the City of Rutland meet the first and third Monday of each month at City Hall at 7:30 p.m.

The Board of School Commissioners meets on the second and fourth Tuesday of each month.

Rutland is the central area of the surrounding ski country.

**CITY ELECTION** day is the first Tuesday in March - March 2, 1982.

Copies of individual city ordinances are available to the public.

There are ice skating rinks located in Rutland.

Power Lawn Mowers—It is a violation of City Ordinance to use power lawn mowers in such a manner that they blow grass or leaves into the street. (R. O. R. Sec. 4462).

Dog Ordinance is to be found elsewhere in this report.

Pee-Wee Hockey, Rutland Fairgrounds, call Recreation Office.

Senior Citizens Center off Woodstock Avenue.

Office Hours  
For Voter Registration  
Monday through Friday  
8:30 A.M. to 5:00 P.M.

Honorable Walter M. Moore  
Honorable Lyle K. Rice  
Honorable Thomas H. Candon  
Honorable Alexander F. Keefe

\* 1 member district

**Note:** By State Law voter registration ceases 17 days before any election.

**EDWARD S. PIKE**

In preparing the many items that go into the making of the Rutland City reports we sometimes neglect to mention those persons who have had long service such as ward clerk, ward officers, and call firemen.

Over the years many of these persons received no pay and even now receive but a small wage for their dedicated services as ward clerks, ward officers and call firemen.

Typical of these is Edward S. Pike whose long record began in 1933 as a second inspector of elections, following in his fathers footsteps, in 1941 as a first inspector of elections and in 1943 as Ward Clerk at Dana School.

Ed has also served as a call fireman beginning in 1935.

## Ward Officers

### WARD ONE — Lincoln School

Alan Buckland, 18 Roberts Avenue, *Ward Clerk*  
 Concetta M. Paul, 225 North Church Street, *First Inspector*  
 Marion A. Tarbell, 214 North Church Street, *Second Inspector*  
 Beatrice B. Smith, 139 Pearl Street, *Third Inspector*

### WARD TWO — Northeast School

Valerie Morrello, 21 Jefferson Street, *Ward Clerk*  
 Valerie L. Malmgren, 75 North Street Extension, *First Inspector*  
 Helen L. Courcelle, 16 Tremont Street, *Second Inspector*  
 Shirley Davidson, 87 Davis Street, *Third Inspector*

### WARD THREE — Dana School

Edward S. Pike, 42 Terrill Street, *Ward Clerk*  
 Kendrick E. Day, 54 Edgerton Street, *First Inspector*  
 Shirley L. Canary, Victor Place, *Second Inspector*  
 Axel J. Anderson, 23 East Center Street, *Third Inspector*, Deceased

### WARD FOUR — Christ the King School

Kathleen Powers, 78 Jackson Avenue, *Ward Clerk*, Retired  
 Mary Therese Flory, 19 Engrem Avenue, *First Inspector*  
 Agnes Tully, 45 Engrem Avenue, *Second Inspector*  
 Mary McPhee, 76 Jackson Avenue, *Third Inspector*

### WARD FIVE — Park Street School

Mary J. Costello, 116 River Street, *Ward Clerk*  
 Doris Mahoney, 84 River Street, *First Inspector*  
 Mary West, 114 South Street, *Second Inspector*  
 Rena Nolan, 12 Billings Mobil Manor, *Third Inspector*

### WARD SIX A — Mount Saint Joseph Academy

Mary M. DiPalma, 34 Meadow Street, *Ward Clerk*  
 Frank B. Maranville, 27 Meadow Street, *First Inspector*  
 Charlotte Bullock, 65 River Street, *Second Inspector*  
 Barbara Magro, 40 Forest Street, *Third Inspector*

### WARD SIX B — Lawrence Recreation Center

Mary Gallipo, 14 Madison Street, *Ward Clerk*  
 Winifred Flynn, 51 Morse Place, *First Inspector*  
 Donald Keith, 53 Morse Place, *Second Inspector*  
 Caroline Dolan, 38 Washington Street, *Third Inspector*

### WARD SEVEN — Central Vermont Public Service Corporation

Lawrence Bolgioni, 78 Pine Street, *Ward Clerk*  
 Margaret E. Canary, 130 Maple Street, *First Inspector*  
 Alma F. Bartlett, 91 Maple Street, *Second Inspector*  
 Ursula Taylor, 25 Williams Street, *Third Inspector*

### WARD EIGHT — Northwest School

Gustaf A. Anderson, 37 Evergreen Avenue, *Ward Clerk*

## UVM Extension Service Rutland County

Office Location: Rutland Town Office Bldg., Rte 4, Center Rutland

Mail Address: P. O. Box 489, Rutland, VT 05701

Phone: 773-3349

The UVM Extension Service is a combined effort of the University of Vermont and the US Department of Agriculture to bring educational programs to the people of Rutland County. The areas in which programs are conducted are agriculture and related areas such as home grounds, home economics, youth and resource development. A new educational program has been added . . . energy conservation. Energy outreach advisors are now available to conduct energy audits on homes in Rutland County providing information on energy conservation measures for homeowners.

### Funding:

Funds for the UVM Extension Service come from three sources. Federal, 42.3%; State 49.2%, and from towns, 8.5%. Town funding is based on the town Grand List as compared to the County Grand List. State statutes are the basis for town contributions.

### Extension Service Advisory Board:

A board comprised of 15 people from Rutland County advises the Extension agents on programs to be carried out. Members are elected at the UVM Extension Service annual meeting held in April. The annual meeting notice is published in the Rutland Herald two weeks in advance and is open to the public. Current members of the Board are:

Mrs. Harold Billings, Mrs. Howard Burgess, Byron R. Hathaway, and Edward Hemenway of Rutland Town; Miss Deva Bolgioni, Mrs. Andrew Musella, Roy Rotella, and Hugh Spafford of Rutland City; Mrs. Antoine Greeno and Robert Baird of Pittsford; Lou Ann Hale, West Rutland; Clarence Haynes, Middletown Springs; Richard H. Pratt, North Clarendon; Wayne Burleson, Benson; and C. Gilbert Giddings, Brandon.

**Rutland County Extension Service Staff:****County Extension Agents:**

Wm. M. Corey & David P. Newton—Agriculture  
 Bridget A. Howrigan—Home Economics  
 Chesley P. Horton—Youth  
 Wm. H. Bingham—Resource Dev. (Rutland & Bennington)  
 Betty A. Durkin—4-H Expansion Ass't.  
 Marie Bingham & Donna Durkee—Nutrition Aides  
 Carole Berger & Debra Christiana—Energy Outreach Advisors  
 Valeria Nagy—Administrative Assistant  
 Sylvia B. Chapin, A. Marie Firliet & Donna Marcille—Secretaries

Extension Service programs are available to everyone regardless of race, color, national origin, sex, or religion. For more detailed information call or write UVM Extension Service or contact a member of the Advisory Board. As a resident of Rutland County, Extension Service information is available to you.

January 1981

## Rutland County Health Council

### NOTICE TO THE CITIZENS OF RUTLAND CITY

This notice is recommended by the Rutland County Health Council. It is to remind all persons on their own private water systems to test their water for contamination. This should be done at least once a year or more often if necessary.

Testing kits are available from the Health and Environmental Officer in your community. The kits are free and contain instructions for taking the sample. The only cost is mailing it to the State Department of Health, located in Burlington, Vermont 05401. Contaminated water is injurious to your health.

Very truly yours,  
*Water Safety Committee*

## Rutland County Solid Waste District

### ANNUAL REPORT

This is the first Annual Report of the Rutland County Solid Waste District, a new governmental entity created by the vote of 19 municipalities on March 4, 1980. The sole purpose of RCSWD is to provide solid waste disposal services for its member municipalities and particularly to assist them in their current disposal practices and develop future disposal systems, such as a regional landfill, recycling and waste to energy incineration plant.

Throughout the remainder of 1980 significant progress was made by the Board of Supervisors (the governing legislative body) toward the attainment of these goals, including hiring a District Manager, Rick Dovey, and initiating Phase II of our EPA Resource Recovery Grant. The Rutland Regional Planning Commission, who assisted greatly during the formation of the District, has been extremely helpful this past year providing technical assistance on our EPA grant and offering staff and office support to ease our transition into a functioning entity.

Immediately upon creation of RCSWD, municipalities set upon the task of naming their representatives to the Board of Supervisors, which met for the first time on April 14th. The establishment of administrative and accounting systems for this new government consumed a large portion of early attention. A 1980 budget had to be adopted by mid-May and decisions had to be made concerning the establishment of an Executive Board to carry on the day to day activities of the District. An intensive interview process was conducted in early summer which culminated in the hiring of Franklin Associates and Blythe, Eastman, Paine Webber as our Phase II consultants.

The Resource Recovery study being conducted through Franklin Associates is moving along quite well. Because of difficulties that have arisen on the availability and interest of potential steam markets, the possibility of generating electricity is being studied. New Federal legislation has been enacted that could make the sale of electricity to the public utilities economically viable and has encouraged us to go before the Vermont Public Service Board in their deliberations to set rates for small power producers. Our efforts will continue in the direction of both electricity and steam markets until we decide upon the best possible method, hopefully by early spring of 1981.

1981 should be a particularly busy year for the RCSWD, as we will have established ourselves and will have begun work diligently on the solid waste problems facing each member municipality. With our initial formation behind us, we can concentrate on the purpose for which this District was

created. The continuation of our progress in the resource recovery project and the renewed emphasis on developing a regional landfill should highlight the year. The initiation of a recycling program and assistance to municipalities by our District Manager will also be important aspects of our 1981 work plan.

Please feel free to visit our office on the third floor of The Opera House in Rutland or call our District Manager, Richard Dovey, at 775-6482. As Chairman of the RCSWD Board of Supervisors, I ask for your support and solicit your comments, suggestions, and criticisms so that this government can truly work for the people of the District and for the municipalities that comprise it.

Respectfully submitted,  
DAVID W. LEWIS  
*Chairman, Board of Supervisors*

## VERMONT FIRSTS IN THE NATION

### The First . . .

- State admitted to the Union after the ratification of the Constitution was Vermont on March 4, 1791.
- Constitution to outlaw slavery was Vermont's in 1777.
- Constitution to abolish the requirement that voters must be property owners was Vermont's in 1777.
- Beneficiary of monthly Social Security payments was Ida M. Fuller of Ludlow who received check no. 00-000-001 for \$22.54, January 31, 1940.
- U.S. Patent, signed by George Washington, was issued in 1790 to Samuel Hopkins of Pittsford for making potash out of wood ashes.
- Postage stamp used in America was made in Brattleboro in 1846.
- Woman elected Lieutenant Governor was Consuelo N. Bailey, elected in 1954.
- American medal in an Olympic nordic skiing event was won by Bill Koch of Guilford in 1976.
- Revolutionary soldier to shed British blood at the Battle of Lexington, April 19, 1775 was Solomon Brown of New Haven, who thus fired the first effective shot in the Revolutionary War.
- Stars and stripes flag to lead American armed forces on land was the Bennington Flag used at the Battle of Bennington on August 16, 1777.
- State to offer troops in the Civil War was Vermont.

- Person to cross the entire United States by automobile was Dr. H. Nelson Jackson, a Burlington physician, who started out from Burlington in 1902.
- State absentee voting law was enacted in 1896 by Vermont.
- Agricultural society for dairymen, the Vermont Dairy Association, was organized in 1869 in Montpelier.
- Electric railway, printing press, piano, and motor were built by Thomas Davenport of Brandon. He was also the editor of the first electrical journal.
- Boy Scout Club was organized in Barre in 1909 by William F. Milne, a Scottish immigrant.
- Head Start Program, used to prepare disadvantaged preschool children for elementary school, was started in East Fairfield with 12 children.
- Marble quarry was started at East Dorset in 1785 by Isaac Underhill.
- School for higher education of women was established by Emma Willard at Middlebury in 1814.
- Steel carpenter's square was invented by Silas Hawes of Shaftsbury in 1814.
- Sandpaper was invented by Isaac Fischer at Springfield in 1834.
- Laughing gas was discovered by Gardner Colton of Georgia. Horace Wells of White River Junction was the first person to use laughing gas as an anesthetic for pulling teeth in 1844.
- United States Ambassador to the United Nations was Warren R. Austin of Burlington. Before that, Austin was a United States Senator.
- U.S. Congressman elected who had served time in jail was Matthew Lyon of Vermont. Jailed under the terms of the Alien and Sedition Acts, later declared unconstitutional, Lyon was re-elected to Congress while still in jail.
- Flat turret lathe, a basic industrial tool, was invented in 1891 by James Hartness of Springfield.
- Seeding machine patent was issued to Eliakim Spooner in 1799.
- Platform scale was built by Thaddeus Fairbanks at St. Johnsbury in 1830.
- Morgan horse, owned by Justin Morgan, was foaled at Randolph in 1795.
- Normal school exclusively for the preparation of teachers was established by S. R. Hall in 1823 in Concord. Hall also wrote the first textbook on teaching and was the first person to use the blackboard in the classroom.
- Constitution to provide for a system of public school education was Vermont's in 1777.
- Pulp paper mill was established in 1869 by William A. Russell in Bellows Falls. Russell later became the first president of the International Paper Company.
- Ski tow was operated in Woodstock on Clinton Gilbert's farm in 1934.
- Toy carts, violin cases and guitar cases sold in America were invented by Joel A. H. Ellis of Springfield in the mid 1800's. Ellis also invented doll carriages and jointed dolls.

- Chairlift was used on Mt. Mansfield in 1940.
- Marble-cutting saw was invented by Hiram Kimball of Stockbridge in 1837.
- Fishing spoon lure was invented in 1830 by Julio Buel of Castleton.
- Private military college was established at Norwich in 1819 by Capt. Alden Partridge. At that time, it offered the first Civil Engineering course. The college was later moved to Northfield.
- Olympic gold medals in skiing awarded to a woman were won by Andrea Mead of Rutland in 1952.
- Copper cents minted by a state were authorized by the Vermont General Assembly in 1785 and made by Reuben Harmon, Jr. at Rupert.
- Successful photographs and measurements of snowflakes and raindrops were made by Wilson A. ("Snowflake") Bentley.
- Steam-heated factory was the Burlington Woolen Company in 1846.
- State symphony orchestra was organized in 1935, with Alan Carter of Rutland as its conductor.
- Globe factory was established in 1813 by James Wilson of Bradford for the manufacture of geographic globes. Wilson made the first artificial globe in America in 1799.
- Copper mine was opened in Strafford in 1793.
- Horse farm operated by the United States government was established in 1907 at Middlebury.
- Wind turbine used to generate power for an alternating current power system, was operated at Grandpa's Knob in Castleton in 1941.
- Educational society was established in Pawlet in 1804.
- 300-mile endurance horse race was from Burlington, Vermont, to Camp Devens, Massachusetts, in 1919.
- State anti-sit-down strike legislation was enacted in 1937.
- Air Traffic Regulations course was set up in 1934 at Norwich University in Northfield.
- Agricultural land grant college act, proposed by Senator Justin Smith Morrill of Vermont, was signed by President Lincoln in 1862.
- American gold medal in the Olympic three-day individual equestrian event was won by Tad Coffin of Strafford in 1976.

## Department of Education

### To The Honorable Board Of Aldermen

For the past several years this report has emphasized the declining school enrollment. Of all the variables which impact upon the school system, the number of students to be educated is probably the most significant. First, the student population determines the number of teachers needed. In 1974 the system employed about 270 teachers. As school opened in September, 1981, the system employed about 195 teachers. Unfortunately, this reduction in staff has not occurred through attrition, but through layoff of staff at a rate probably unequaled in Vermont school systems. This staff reduction, with its accompanying job insecurity, has had a serious impact on staff morale. It has also seriously limited the introduction of new teachers to the system, and the ability of the system to attract new staff. Second, the number of students to be educated determines the number of buildings to be operated. In June of 1978 the system operated eight elementary schools. The first public elementary school to close was St. Peters in June of that year, followed by the Longfellow II School (Immaculate Heart of Mary Building) in June of 1980, and the Park Street School in June of 1981. As school opened this fall, the system operates 5 elementary schools. This closing of buildings has broken up the neighborhood elementary schools which have existed in the city for most of this century. It has created situations where students are frequently moved from one elementary school to another during their elementary school years. It has also created the issue of bus transportation of students, a practice nearly non-existent for close to 10 years after being voted out in 1962. But, most important, the closings have left the southwest section of the city, and the central section of the city, without an elementary school. The closing of buildings raised the very important question of planning for the elementary schools through the decade of the eighties. Should further consolidation, with possible building additions, be planned, resulting in four public elementary schools? Should certain elementary schools serve children in Kindergarten through Grade 3, and others serve grades 4, 5, and 6, resulting in more stability? Should parts of the remaining 5 elementary schools be closed, and Park Street reopened, providing a public elementary school in the southwest section? These are very important questions which the school system must address in the immediate future. Third, the declining enrollment at the junior and senior high schools, after so many years of overcrowding, has made these schools more manageable, creating opportunities for program coordination, already taking place in guidance and special education, and curriculum planning. The decline has also meant a decrease in the number of tuition paying students, with a resulting loss of income. Fourth, the enrollment decline within the city, when considered with enrollment projections in the county, indicate that, with no significant changes in the variables, the student enroll-

ment at the vocational center may decline during the decade of the eighties. Since the financial structure of the vocational center depends on tuition income, there may be significant financial problems dealing with the vocational center in the next few years.

When school opened this fall, the elementary student enrollment was 1277. A year ago, elementary schools opened with 1388. This is a decline of approximately 100 students in a 12 month period. The junior high opened this September with an enrollment of 625 students. A year ago, it opened with 655, a 12 month decline of 30 students. The senior high opened this September with 719 students. A year ago, it opened with 777 students, a decline of 58 students. Another statistic with long range implications is the size of the entering Kindergarten. In September of 1980 schools opened with 197 Kindergarten students. This September, the enrollment was 162, a decline of 35 students. Projections indicate that the enrollment decline will continue until the 1983-84 school year, assuming no major changes takes place within the area. Since student enrollment is such a significant factor in planning programs, plant utilization, and financing, it is again emphasized in this report.

Energy costs continue to be a major concern of the school system. Comparing fuel oil consumption in 1979-80 with 1980-81, the school system consumed 15,315 fewer gallons last year. If the Immaculate Heart of Mary building, closed in June of 1980, is included, the total consumption was 29,183 fewer gallons. While the number of gallons consumed continues to decrease as a result of conservation measures, the cost continues to escalate. In 1979-80, the total cost of heating fuel was \$257,215.15. In 1980-81 the cost was \$285,986.72. These figures are for building heating, only, and do not include fuel for hot water heaters. Electricity costs are also increasing due to rate increases, and the change in determining peak demand. Cost increases for 1981-82 have been projected on the basis of the best estimates the system has been able to obtain. Energy cost increases, however, are particularly difficult to estimate accurately due to the volatile nature of the energy industry. The Board of School Commissioners has established an energy committee which is charged with monitoring energy consumption, and initiating programs to increase staff and student awareness of energy conservation. Possibly the most important step taken in energy conservation was the voter approval of a bond issue of \$1,400,000 on June 2, 1981. This will make possible extensive modifications in the system's physical plant designed to conserve energy and improve heating efficiency. The most extensive project included in the bond issue is the change in the heating system at the high school.

The financing of public education continues to be a major concern, both of the city and the state. In spite of staff cut-backs and program reductions, the cost of public education continues to increase. This is due to such factors as energy costs, salary and benefit increases, and general inflationary increases in the cost of everything the school system buys. Aside from local tax receipts, the largest single source of income for the school system is general

state aid. In school year 1980-81, the system received \$1,394,852 in general state aid. The estimated receipt in 1981-82 is \$937,888. This is a reduction of nearly \$457,000. As this report is written, there are indications the General Assembly, after years of debate over the "Miller Formula," may finally revise the distribution formula and increase the general state aid appropriation by an increase in the sales tax. While no one knows what the final action of the General Assembly will be, it is possible the Rutland School system may realize a significant increase in state aid, thus relieving some of the pressures on the local property tax for support of the schools. The next largest source of income, after the property tax and general state aid, is tuition income. The system has experienced a decline in the number of tuition paying students attending the public schools. This is a particularly difficult figure to estimate since the tuition paying students have a choice of several area high schools, and due to statutory requirements to establish a maximum tuition rate a full year and a half before the actual per pupil cost is known. In the case of the vocational center, where about two-thirds of the students are non-residents, and therefore tuition paying, tuition income is of particular importance. This fact, plus the relatively low vocational aid from state and federal sources (approximately 25%), means the system must pay particular attention to the method of financing the vocational center, including the statutory provision which subsidizes tuition payments of non-resident students at 50%, while providing no subsidy to Rutland City for resident students.

The effects of the changes being made in federal aid to education, and the searching review by the state of the special education programs, are unknown at this writing. Any sizable reduction in state or federal funding for such programs as special education, handicapped, school lunch, vocational education, or aid for the disadvantaged, would have an impact on the local budget.

The school system continues to operate quality educational programs for its students. While some program reductions have taken place in recent years, the total program of the public school system is as varied and comprehensive as resources will permit. Scores on standardized tests at the elementary level indicate strong programs in reading and mathematics. A new text adoption in language arts was installed this year, after two years of study by the staff. Special education services have been expanded with the introduction of a class for the emotionally disturbed at the elementary level. The coordination of curriculum, guidance and special education at the secondary level is continuing. The program offerings at the secondary level, including vocational programs, is very broad, serving the needs of a great variety of student interests and talents. The vocational center has expanded its offerings to include an associate degree program through the Vermont State College system. The adult program, which has been centered this year at the vocational building, is the largest in the state, serving over 1,000 adults in the area. In addition, the center continues its efforts to be of service to local industries and businesses for specialized training programs. The biggest need in the area of

instructional programs in the system is better articulation of curriculum between the various levels, and a much expanded staff development program for all instructional personnel.

This is the last report to be submitted by the present superintendent. After the transition from the sometimes stormy decade of the seventies, the system should be poised for a period of much greater stability in the eighties. The student population should soon stabilize, staff reductions should be sharply reduced, the closing of buildings should be over, labor relations much improved, and, depending on action by the General Assembly, the financial picture more optimistic for the system. Facing the challenges of the eighties, a new superintendent could not ask for more support and cooperation than has been given to the present superintendent.

THOMAS G. CHESLEY
